

ENFP

- People Are The Product -

Executive Summary

ENFPs are dynamic, enthusiastic leaders who inspire through creativity and genuine connection.

Their combination of extraversion, intuition, feeling, and perceiving creates natural motivators who lead through inspiration and possibility-thinking.

Leadership Profile

Core Leadership Strengths

- **Inspirational Energy**
ENFPs naturally energize and motivate others through their contagious enthusiasm and authentic passion for possibilities.
- **Creative Vision**
These leaders excel at seeing potential in both people and situations, transforming ordinary tasks into engaging opportunities for growth.
- **People Development**
Their natural ability to connect with and understand others makes them exceptional at fostering personal and professional development.
